Presents Nietzsche's most prophetic, futuristic and apocalyptic philosophies and traces them against the upheavals of the last century and the current millennial panic. This radical reinterpretation reveals Nietzsche as the only guide to the madness in our society which he himself prophesied a century ago; Nietzsche as a philosopher against society, against both the state and the herd; Nietzsche as a philosopher with a hammer. Includes the first new translations of Nietzsche's most classic aphorisms since the 1960s.
